

The Crown Inn

Meeting & Events

MEETINGS & EVENTS

The Crown is the second in a family of modern day coaching Inns, all in historic timber framed buildings. Using locally sourced food cooked simply; eating, drinking, lodgings.

Our 'back room', with inglenook fire, overlooking the cobbled courtyard, can accommodate up to 40 seated, or 16 in the Bailey Room. The Crown has snug corners and alternative rooms for break out options. For breathers, there is a short circular walk of the old town from the front door. Amersham is on the end of the Metropolitan line, or 30 minutes drive from Heathrow airport with wi-fi throughout.

LODGINGS

At the Inn, we provide simple creature comforts: decent mattresses, pure cotton sheets, with extra Jakob's wool blankets to make you feel at home. Room sizes range from bolthole to more spacious. Room 12 has an original hand painted wall, which dates back to approximately 1550 and is one of the finest examples found today and registered at the British Museum

EATING & DRINKING

Eating and drinking is central to the Inn. The kitchen is in the charge of the celebrated Rosie Sykes, providing locally sourced food, served simply. Using local suppliers from Stockings Farm in nearby Denham who breed rare Gloucester Old Spot, to Kingcup Farm who supply beautiful vegetables.

Open from breakfast until dinner, our 'back room', with inglenook fire, overlooking the cobbled courtyard, can accommodate up to 40 and be hired for gathering and feasting. In our front room we can seat 36 for food & drink throughout the day and 32 in our bar with snug corners.
